## HEAVINESS MAKES TRADES IN STOCK

Clearing House Statement Shows Decrease in Cash Reserves.

New York, N. Y., March 30.—Heaviness was shown in the opening dealings on the stock exchange today. The Harriman stocks, Rock Island preferred, Canadian Pacific, United States Steel and some of the specialties were fractionally lower. Allis Chalmers issues were heavily traded in. The common stock rose 1 to 2%, and the preferred 2 1/2 to 7. The 5 percent bonds also improved 1/2 to 1. The market closed irregular. Reading's advance to 163 1/2, a gain of 5 points on the week, was the salient feature of the final hour. The rest of the list tended slightly upward, but failed to hold, United States Steel and Union Pacific selling under yesterday's close.

The statement of clearing house banks for the week shows that the banks held \$5,029,160 reserve in excess of legal requirements. This is a decrease of \$5,317,500 in the proportionate cash reserve as compared with last week.

## WHEAT MARKET IS BEARISH IN TONE

Smallness of American Shipments to Europe Is Handicap.

Chicago, Ill., March 30.—Sentiment in the wheat trade grew bearish today as a result of the smallness of American shipments to Europe and owing to the slowness of domestic demand. Initial sales were 1/2c lower to a like amount up. May started at \$1.02 1/2 to \$1.02 3/4, unchanged to 1/2c down and sagged to \$1.02 1/2.

The close was steady with May 1/2c net lower at \$1.02 1/2.

Colder weather tended to put strength into corn. Offerings were light. May opened 1/2 to 3/4c higher at 74 1/2 to 74 3/4, touched 75, and then rose to 74 1/2 to 74 3/4.

Prices continued to climb and closed strong at 74 1/2c for May, 1/2c over last night.

Oats advanced for the same reasons as corn. May started 1/2 to 3/4c up at 54 1/2 to 54 3/4, reacted to 54 1/2 to 54 3/4, and advanced to 54 1/2 to 54 3/4.

Packers supported the market for hog products. Transactions were on a big scale with fluctuations rapid. First quotations varied from 5 to 15c lower to 5c up, including July delivery at \$17.40 to \$17.82 1/2 for pork; \$3.95 for lard, and \$9.72 1/2 for ribs.
